SECTION SF 30 BLOCK 14 CONTINUATION PAGE

SUMMARY OF CHANGES

SECTION C - DESCRIPTIONS AND SPECIFICATIONS

1. The 9 paragraph is revised under, II. Temporary Utility Connections, is to revised stating that furniture requirements may be required as part of the task order. Revised paragraph provided below.

9. Office Space Requirements: The contractor shall provide fire extinguishers, smoke detectors and a hot water heater for the building. The furniture requirements, to include delivery and setup, may be included as part of the task orders or may be contracted under a separate contract. The following is provided for sample information purposes. The building shall have open office space which can accommodate X cubicles equipped with adjustable partitions; a reception area; a break room; a water heater; a kitchenette; one hard-walled office; a unisex restroom facility; one hard-walled equipment storage area; and one copy/fax/printer. The contractor shall submit a sample floor plan with layout and placement of necessary furnishings within three (3) days of contract award to the Contracting Officer for approval.

2. Offerors are not required to submit pricing for furniture stated in the Sample Task in Section J.

3. Question received and Answer:

Question: In the Amendment, under Question #8, the response indicated that the bathrooms and kitchens need to be ADA compliant. Can you please provide some guidance, as this may increase the size of the buildings, or decrease some of the internal space, depending on what the USACE wanted the contractor to do. Can you provide some guidance. ADA Ramps and ADA Compliant Bathrooms are achievable with the modular building contractor, however, ADA Compliance with other items may be more of an issue with the furniture provider, which for the Sample Task, is not a requirement.

Answer: The emphasis is on the building entrances and bathrooms being ADA compliant, not the kitchenette areas. The ramp and bathroom requirements will be further defined by the Task Order.
